Summer at Covenant

Please talk to Kyndall if you are willing to help with a **Children's Retreat** this summer. This year we will pack all the fun of VBS into one weekend for the **kids** and their friends! Kyndall will send out more details to all interested participants.

Pray for our **youth** at **camp** June 10-15.

Adults, join us on the back porch at 9:30 on Sunday mornings. (What about the kids? This coming Sunday, no childcare is provided, but there will be some children's activities available during this hour in the future, to be announced.)

Celebrating Covenant

"I think I was the first person to join Covenant because of its website. I was between churches and doing internet searches on the word "Baptist" when I discovered Covenant and Gordon. I was uncomfortable about joining a church without a building but was encouraged to learn that they already owned some land in Garden Ridge. The following Saturday I drove out to the future building site and loved the possibilities I saw there so the next day I visited Covenant at Fox Run Elementary School. The preaching was wonderful and the music was unbelievably good for such a small church so the next week I joined and have never regretted it. Seeing Covenant grow and develop has been one of the most satisfying experiences of my life."

Breakfast Tacos

Yes! Again! Sunday, June 3, the youth will serve breakfast tacos before church as a fundraiser for camp. Come hungry!

Summer Cleaning

So, the sheer fact that this announcement stays the same newsletter after newsletter makes me wonder if anyone reads these. (I can quit sending these things if they are just filling up your inbox.) And so, a test: I, Kyndall Renfro, promise to sign up for an extra cleaning day **and** keep sending the newsletters if just three people acknowledge that they read this announcement. I promise to sign up for **two** extra cleaning days if four or more families sign up for one extra day by this time next week. Open summer dates on the cleaning calendar are still: May 27, June 3, June 17, July 1, August 19, August 26. (I haven't even mentioned the open dates left in the fall, such as September 9, September 23rd, etc. . . .)
